To Whom It May Concern,

I am pleased to write this letter of recommendation for **Jungbin Lee** who served as a **Business Analyst** at SkyIT Services **Jun 2, 2025 to Aug 20, 2025** .

SkyIT is a modern company that makes **industry-leading digital transformations in the Fleet management Industry** by providing our partners and clients a full range of consultancy services, **cutting-edge technologies to manage fleet assets**, measure and **reduce fleet carbon emissions**, and streamline fleet operations through Machine Learning and Artificial Intelligence.

One of **Jungbin Lee's** standout qualities is their proficiency in various account management tools and methodologies. They exhibited a deep understanding of client communications, follow ups and which allowed them to provide valuable insights for informed decision-making. **Jungbin Lee** also demonstrated an aptitude for using software and technology to streamline processes, which greatly improved our efficiency.

Moreover, **Jungbin Lee** consistently displayed strong communication skills, both in written reports and oral presentations. They had the ability to convey complex technical information in a clear and understandable manner, making their findings accessible to a wide range of stakeholders, from team members to senior management.

In addition to their technical abilities, **Jungbin Lee** exhibited excellent teamwork and collaboration skills. They were an active and engaged member of our team, consistently offering innovative solutions and contributing to the success of group projects. **Jungbin Lee** also maintained a positive and professional attitude, even in high-pressure situations.

I highly recommend **Jungbin Lee** for any employment opportunities within your organization. If you require any further information or have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Shahab Seyedi'.
